ATTACHMENT A

You will be issued a complete set of TA-50 upon arrival at EBOLC, but you may or may not be issued Gore-Tex, polypropylene, sweatband for Kevlar. Read AR 670-1, Appendices B-E (page 330), which tells you which uniform items you are required to have/purchase.

The beret is worn during regular duty days; however, you will also need an ACU patrol cap for field training and outdoor practical exercises.

ENGINEER SCHOOL PATCH: Only your follow-on assignment patch, NG/USAR unit patch, or the U.S. Army Engineer School patch (shown below) is authorized. If you can't get one of these at your current location, contact the Fort Leonard Wood Military Clothing Sales at (573) 596-0131 ext 6-1502 for assistance.

ENGINEER BUTTONS: All students, regardless of component, are required to have engineer buttons on their ASUs or Green uniform.
